# Activities

## Indoor:

### Blind Maze Run

Navigate blindfolded teammates through a maze. This helps to build trust, enhance communication skills and strengthen teamwork under pressure.

### Jury Service

Take part in a mock trial, analysing evidence and making decisions that enhance communication, critical thinking, teamwork and collaborative problem solving skills.

### Tower Building

Construct the tallest tower using limited materials, developing creativity, problem solving and teamwork while enhancing collaboration and motivation under constraints.

And more...

## Outdoor:

### Chest of Achievement

Solve multiple timed puzzles and tasks picked from the box, fostering problem solving, collaboration and teamwork.

### Treasure Hunt

Follow clues and challenges in a race to uncover hidden treasure, motivating teamwork, boosting communication and strengthening problem solving under time pressure.

### Marble Run

Design and build a marble obstacle course, encouraging creativity, teamwork and problem solving while motivating participants to communicate effectively.

And more...

# Instructor

## KAMRAN KHAN

Kamran is a British leadership mentor with a proven track record in guiding teams, professionals and organisations toward growth and operational excellence. His professional journey began as the founder of an engineering consultancy, where he led multidisciplinary teams across complex infrastructure, military and government-level assignments. This foundation informs his pragmatic approach to stakeholder alignment, planning discipline, and long-range thinking.

With deep expertise in strategic management, professional development, and mentoring frameworks, Kamran has designed and delivered impactful advisory services for university students and industry professionals alike. His coaching style blends emotional intelligence with sharp operational insight, empowering others to lead with clarity, connection and confidence.
